

Applicant : Fritz Huebner et al.
Appln. No. : 09/875,303
Page : 4

REMARKS

Claim 22, before amendment, lacked antecedent basis for the limitation “said connector block” appearing at Col. 13, line 14. The amendments to claim 22 are intended to provide the necessary antecedent basis.

Applicants respectfully submit that amended claim 22 and added claims 25-31, none of which enlarge the scope of the claims, are in allowable condition and a Notice of Allowance is respectfully requested.

Respectfully submitted,

By: PRICE, HENEVELD, COOPER,
DEWITT & LITTON
